Message from the president of Ramji Assar Vidyalaya Committee

This is a true story of one man's determination and the collective efforts of like-minded philanthropists devoted to the noble cause of imparting education to the next generation. Today these efforts have turned into a magnificent educational institution- RAMJI ASSAR VIDYALAYA.

Sheth Shri. Ramji Assar established a primary co-education school in June 1911 with 17 students which included one girl student. The very fact that this was a co-education school was again a rare phenomenon in those days. After the demise of Shri. Ramji Assar, his wife Smt. Navibai Ramji Assar took upon herself the noble work of educating the future generation. By 1925, Ramji Assar Vidyalaya rose to its secondary school.

In the year 1928, Shri. Morarji Vasanji Balamandir started to impart education based on the Montessori system in Gujarati medium with just six students. In the year 1952 Pratap Singh Ranchhod Das School of Commerce started imparting education in vocational commerce subjects perhaps one of its kind in the schools of Mumbai.

With the changing scenario and with English medium gaining popularity Ramji Assar Vidyalaya gave an option to the Gujarati medium students of std. VIII to select English or Gujarati as their medium of instruction. This led to the birth of Ramji Assar Vidyalaya English Medium Secondary School in the year 1965 and Ramji Assar Vidyalaya English Medium Primary School. In the year 1972, we were fortunate in having a generous donor Shri. Dharamsy Morarji Bhatia to start a full-fledged English medium secondary school which was named after his wife, Smt. Manibai Dharamsy Bhatia. In the year 1975, the Primary school was named after Shri. Dharamsy Morarji Bhatia.

By this time the need for a Junior college led to the formation of H.V.K Tanna College of Commerce in the year 1986 and which further grew into a senior college in the year 2009 in the name of Shri. Laxmichand Golwala College of Commerce and Economics.

The horizon of learning is endless, the avenues myriad and we can only hope that in our humble mission, we provide an adequate base for every child to discover their capabilities. In the hustle of life in a crowded world, we develop children's individual potential so that they find their own grove in the endless possibilities life has to offer that should leave their mark not on sand, but on stone. Moving with time, we have a new building with new infrastructure to cater to the needs of the changing times like a well-equipped library, modern laboratory and interactive board in every class.

I feel proud to note that the 'M.D.Bhatians' as popularly known and are excelling in all fields. The young cricketers had been winners of the Harris Shield and Giles Shield. Volleyball, Chess, and Karate are the other fields in which our students are excelling. The farsightedness, quick thinking and demonic urge for progress have led to the institution's success in all walks of life. In the last few years, we have been able to etch our name amongst the best schools in Ghatkopar with 100% results in S.S.C. year after year. Congratulations to all the students, teachers, and parents.

The trustees of Ramji Assar Vidyalaya Wadi Trust and the Ramji Assar Vidyalaya Committee are proud that a child admitted to nursery class in our institution can later attain a Graduate or Post Graduate degree from Laxmichand Golwala College of Commerce and Economics affiliated to the prestigious University of Mumbai.

I am sure that the publication of 'M.D.Bhatia Magazine' will be a very effective medium to showcase the talents of the students and also to educate the community on a large scale. Congratulations to the budding writers, the editors and the principal Mr. Pankaj Agarwal who has taken the efforts.

- Shri. Devendra Shah
President of Ramji Assar Vidyalaya Committee

----- *From the desk of the Principal* -----

At Smt. M. D. Bhatia English Medium High School, our commitment to excellence remains steadfast as we continue to nurture young minds with care and dedication. Our motto, "NO FEAR WITH THEE," reflects the supportive environment we strive to create, where students feel confident to explore, learn, and grow.

I feel immensely proud to be part of a community where teachers, students, and parents work together to build a culture of mutual respect and learning. Each day is an opportunity to inspire and be inspired, and I am continually amazed by the creativity, curiosity, and determination that our students display. They are the heart of our school, and their achievements, whether in academics, sports, or the arts, fill us with joy and pride.

Our aim is to foster not only academic excellence but also the development of essential life skills. We encourage our students to think critically, embrace challenges, and discover their unique talents. The dedicated staff at MDB is committed to guiding each child on their journey, helping them grow into responsible and compassionate individuals ready to face the future with confidence.

We believe in creating an educational experience that students will cherish for years to come. Our hope is that when they look back at their time at MDB, they will remember it as a place where they feel valued, supported, and inspired to reach their full potential.

We encourage questioning as we want them to be agile in their thinking. We stoke their spirit of discovery and enquiry. As Einstein remarked — 'Education is not so much the feeding of facts into the mind as the awakening of curiosity in the soul'. We want our students to be lifelong learners.

With every new year, we continue to evolve, staying true to our mission of providing a well-rounded education. Together, let's keep striving towards excellence and shaping a bright future for our students.

The Importance of Discipline in Our Life

Discipline is one of the most important values we can learn in life. It is the key to success and self-growth. It shapes our character, strengthens our focus, and helps us make the most of our time. Whether we are students, athletes, or professionals, discipline is what keeps us on track to reach our goals.

In school, discipline plays a crucial role. It teaches us to follow rules, respect our teachers, and complete our tasks on time. Regular study habits and staying organized are signs of discipline that lead to academic success.

Beyond academics, discipline is essential in our personal lives too. It helps us manage time, develop good habits like healthy eating and exercise, and maintain good relationships. When we practice discipline, we learn to control our emotions and make better decisions, even during tough situations.

In short, discipline is the foundation of a successful life. It builds confidence, brings structure, and leads to lasting achievements. By staying disciplined, we can turn our dreams into reality.

બચપણ ની યાદમાં

વીતે છે રાત અને ઉગે છે પ્રભાત,
પગ દોડે છે દુનિયાની રેસમાં
પણ મન રહી જાય છે બચપણની યાદમાં.

આવતા જતા મળે છે સખીઓ,
મનના ભાવ જાણી લે છે પળભરની વાતમાં
પણ મન રહી જાય છે બચપણની યાદમાં.

Why to be perfect?

Why to be perfect,
When everything is imperfect.
Always and forever, the whole world never ever be perfect.

All the stress makes you anxious
But why ? Why to be perfect every time ?
This curiosity will never end in this world, but why to be perfect every time?

I always think that the world would never
Stop pushing yourself to be perfect, but you know how perfect you are
So, why to be perfect when you are the best!

Rise up

Rise up, dear heart, and shine your light,
Embrace your dreams, and let them take flight.

Don't let fears or doubts hold you back,
You have the power to make your own track.

Every step you take, every choice you make,
Leads you closer to your highest stake.

Believe in yourself, your strength and your might,
You can conquer darkness and shine with your own light.

Don't give up, dear one, when the road gets long,
Keep pushing forward, and sing your happy song.

You are capable, strong and brave,
Your dreams are waiting, and your future is paved.

So rise up, dear heart, and take the leap,
Embrace your greatness, and make your dreams seep.

Into reality, where they'll come alive,
And you'll shine so bright, with your own heart full of pride.
