## President's Message.....

### A Humble Beginning

This is a true story of one man's determination and collective efforts of like minded philanthropists devoted to the noble cause of imparting education to the next generation. Today these efforts have turned into a magnificent educational institution - **RAMJI ASSAR VIDYALAYA.**

Sheth Shri. Ramji Assar established a primary co-education school in June 1911. The very fact that this was a co-education school was again a rare phenomenon in those days. After the demise of Shri. Ramji Assar, his wife Smt. Navibai Ramji Assar took upon herself the noble work of educating the future generation.

In the year 1928 Shri. Morarji Vasanji donated good amount to start Balamandir to impart education on the basis of Montessory system in Gujarati medium with just six students. With the changing scenario and with English medium gaining popularity Ramji Assar Vidyalaya gave an option to the Gujarati medium students of std. VIII to select English or Gujarati as their medium of instruction. This led to the birth of Ramji Assar Vidyalaya English Medium Secondary School in the year 1965 and in the same year Ramji Assar Vidyalaya English Medium Primary School .

In the year 1972 we were fortunate in having a generous donor Shri. Dharamsy Morarji Bhatia to start a full fledge English medium secondary school which was named after his wife, Smt. Manibai Dharamsy Bhatia. In the year 1975 the Primary school was named after Shri. Dharamsy Morarji Bhatia .

On 26<sup>th</sup> Jan 1975, Ramji Assar Vidyalaya's Valimandal was established which works for the welfare of the students. In the year 2012, "AARAV(Alumni Association of Ramji Assar Vidyalaya) was formed and it conducts various activities for the students.

The horizon of learning is endless, the avenues myriad and we can only hope that in our humble mission we provide an adequate base for every child to discover his capabilities. In the hustle of life in a crowded world, we develop children's individual potential so that they find their own grove in the endless possibilities life has to offer that leave their mark not on sand, but on stone. Moving with time, we propose to have a new building with new infrastructure to cater to the needs of the changing time like a well-equipped library, modern laboratory, computers in every class etc.

I feel proud to note that the M.D.Bhatians as popularly known are excelling in all fields. The young cricketers had been a winner of Harris Shield and Giles shield. Volley ball, Chess, Karate are the other fields in which our students are excelling. The far sightedness, quick thinking and the demonic urge for progress has led to the institution's success in all walks of life. In the last few years, we have been able to etch our name amongst the best schools in Ghatkopar with 100% result in S.S.C. year after year. Congratulations to all the students, teachers, and the parents. The trustees of Ramji Assar Vidyalaya wadi Trust, and the Ramji Assar Vidyalaya Committee is proud that a child admitted to nursery class in our institution can latter attain a Graduate or Post Graduate degree from Laxmichand Golwala College of Commerce and Economics affiliated to the prestigious University of Mumbai . I am sure that the publication of **mdbhatia news** will be a very effective medium to showcase the talents of the students and also to educate the community at large. Congratulations to the budding writers , the editors and to the principal Nisha Mohandas who has taken the initiative. Late Seth Ramji Assar and Smt. Navibai cherished a dream to be instrumental in guiding every child in Ghatkopar towards the light of knowledge by opening the doors of education to them.

## From the desk of the Principal

A school's aim is to provide a conducive environment that helps nurture and develop every child's unique talent and potential to the fullest. We believe that education must help every student to excel holistically across academics, sports, arts and co-curricular pursuits, while ensuring their safety and well-being. At Smt. M. D. Bhatia English Medium High School, these tenets are central to our philosophy and inspire us in everything that we do.

It is our school's endeavour to provide children with opportunities to learn in multidimensional ways and explore the limitless possibilities in their quest for knowledge. Where for a teacher, teaching is a pleasure and for a student learning is a joy. Culture and values have a pre-eminent place at our school. Our

caring and committed teachers are our pillars of strength. They teach our students not just with their minds but with their hearts, making learning enjoyable and rewarding, and instilling in students' sound values and attributes. My hearty congratulations to the students of S.S.C. 2017-18 batch for bringing 100% result at the board examination.

YOU'LL NEVER KNOW HOW MUCH,  
FOR YOUR HELP TO CHANGE THE WORLD  
THROUGH EVERY LIFE YOU TOUCHED,  
YOU SPARKED THE CREATIVITY  
IN THE STUDENTS WHOM YOU TAUGHT,  
AND HELP THEM STRIVE FOR GOALS  
THAT COULD NOT BE BOUGHT,  
YOU ARE A SPECIAL TEACHER  
THAT NO WORDS CAN TRULY TELL  
HOW VALUABLE FOR EVERYONE YOU ARE  
"TEACHERS".

### FRIENDS

Friends are god's gift,  
They act like a lift,  
Up and down, up and down,  
But never do they frown.  
Friends are like light,  
They fuel up our mind,  
Not so kind, not so harsh,  
They are our friends.  
Friends are like medicine,  
Sometimes sweet, sometimes bitter,  
We have to have them to get even better,  
They are our friends.  
Friends are there at all the times,  
In times of problem always they tease,  
Later they do solve it with ease,  
They are our friends.

## तुझे आगे बढ़ते जाना है

लक्ष्य मुश्किल ही सही,  
मगर नामुमकिन बिलकुल नहीं,  
भरोसा खुद पे रखना है,  
तुझे आगे बढ़ते जाना है ।

राह में काँटे हो हजार,  
आँधी आए, या आए तुफान,  
सपनों को सत्य कर दिखाना है,  
तुझे आगे बढ़ते जाना है ।

बाहर हो घना अँधेरा,  
भले ना मिले किसी का सहारा,  
दीप मन में जलाना है,  
तुझे आगे बढ़ते जाना है ।

हर समस्या है, एक नया अवसर,  
असफलता से तू कभी न डर,  
भविष्य अपना खुद बनाना है,  
तुझे आगे बढ़ते जाना है ।
