Message from the president of Ramji Assar Vidyalaya Committee

This is a true story of one man's determination and collective efforts of like-minded philanthropists devoted to the noble cause of imparting education to the next generation. Today these efforts have turned into a magnificent educational institution- RAMJI ASSAR VIDYALAYA.

Sheth Shri Ramji Assar established a primary co-education school in June 1911 with 17 students which included one girl student. The very fact that this was a co-education school was again a rare phenomenon in those days. After the demise of Shri Ramji Assar, his wife Smt. Navibai Ramji Assar took upon herself the noble work of educating the future generation. By 1925, Ramji Assar Vidyalaya rose to its secondary school.

In the year 1928, Shri Morarji Vasanji Balamandir was started to impart education based on the Montessori system in Gujarati medium with just six students. In the year 1952 PratapSingh Ranchhod Das School of Commerce started imparting education in vocational commerce subjects perhaps one of its kind in the schools of Mumbai. With the changing scenario and with English medium gaining popularity Ramji Assar Vidyalaya gave an option to the Gujarati medium students of std. VIII to select English or Gujarati as their medium of instruction. This led to the birth of Ramji Assar Vidyalaya English Medium Secondary School in the year 1965 and Ramji Assar Vidyalaya English Medium Primary School. In the year 1972, we were fortunate in having a generous donor Shri Dharamsy Morarji Bhatia to start a full-fledged English medium secondary school which was named after his wife, Smt. Manibai Dharamsy Bhatia. In the year 1975, the Primary school was named after Shri Dharamsy Morarji Bhatia.

By this time the need for a Junior college led to the formation of H.V.K Tanna College of commerce in the year 1986 and which further grew into a senior college in the year 2009 in the name of Shri. Laxmichand Golwala College of Commerce and economics.

The horizon of learning is endless, the avenues myriad and we can only hope that in our humble mission we provide an adequate base for every child to discover his capabilities. In the hustle of life in a crowded world, we develop children's individual potential so that they find their own grove in the endless possibilities life has to offer that leave their mark not on sand, but on stone. Moving with time, we propose to have a new building with new infrastructure to cater to the needs of the changing time like a well-equipped library, modern laboratory and interactive board in every class. I feel proud to note that the M.D.Bhatians as popularly known are excelling in all fields. The young cricketers had been a winner of Harris Shield and Giles shield. Volleyball, Chess, Karate are the other fields in which our students are excelling. The farsightedness, quick thinking and the demonic urge for progress have led to the institution's success in all walks of life. In the last few years, we have been able to etch our name amongst the best schools in Ghatkopar with 100% results in S.S.C. year after year. Congratulations to all the students, teachers, and parents. The trustees of Ramji Assar Vidyalaya wadi Trust and the Ramji Assar Vidyalaya Committee are

proud that a child admitted to nursery class in our institution can later attain a Graduate or Post Graduate degree from Laxmichand Golwala College of Commerce and Economics affiliated to the prestigious University of Mumbai. I am sure that the publication of mdbhatia news will be a very effective medium to showcase the talents of the students and also to educate the community at large. Congratulations to the budding writers, the editors and to the principal Dr. Nisha Mohandas who has taken the initiative. Late Seth Ramji Assar and Smt. Navibai cherished a dream to be instrumental in guiding every child in Ghatkopar towards the light of knowledge by opening the doors of education to them.

- Shri. Devendra Shah

President of Ramji Assar Vidyalaya Committee

----- *From the desk of the Principal* -----

School plays a central role in nurturing and developing the inherent talents of every child in the midst of a fast-changing world, which is driven by technological innovations. Therefore, the way our students learn today and the way they will apply their knowledge in their future workspace is of paramount importance. Therefore, we at **Smt. M.D. Bhatia English medium High School**

constantly works towards fostering in the students critical thinking, creativity and communication in short, a child's holistic development is at the helm of our minds.

Against the backdrop of the current pandemic situation, we are witnessing a paradigm shift in the teaching and learning process. We have been able to successfully launch the virtual school to enable students to learn from the safety of their homes. Let us hope that this pandemic situation will wade away like any other catastrophic event.

Ramji Assar Vidyalaya Committee has been kind enough to provide free mobile sets to the needy students of our school. Considering the fact, that computer literacy is an important aspect for every child we have put in efforts to keep the students in touch with advanced computer technologies. Our dedicated teachers teach with their hearts, making learning enjoyable and rewarding.

My sincere congratulation to the 2020- 2021 S.S.C. batch of students for bringing a cent per cent result at the state board examination.

We have great challenges that lie ahead in our journey to accomplish our reputation as one of the top schools in Mumbai. Dear parents, we are sure to achieve our goal with your unconditional support that you render us year after year.

- Dr. Nisha Mohandas

2020-2021 - HAT-TRICK YEAR FOR THE YELLOW HOUSE TO WIN THE IN-HOUSE TROPHY

Three Cheers for the Yellow House - Hip Hip Hurray!!!

2020-2021 is a hat-trick year for the Yellow House to win the In-House Competition Trophy.

Indeed it is a moment of Celebration. A moment of Joy. A moment to feel Proud of the in-charge teachers and participants of Yellow House. A moment to look back and feel great about the remarkable achievements made by them who made it possible.

The following were the In-charge Teachers of the Yellow House:

2018-2019 – Mrs. Abhaya Vijay Adhav.

2019-2020 – Mr. Kamlesh Firke.

2020-2021 – Mrs. Pavithra Hegde.

YES! YES! YES! My dear students, teachers and friends WE have done it again for the third time. This is the third consecutive year that the Yellow House is consistently winning the In-House Competition Trophy. Undoubtedly the credit goes to the participating students of the Yellow House who have put in a lot of effort, 100% hard work, determination, dedication and devotion to win the trophy. At the same time the role of In-charge teacher is no less. It is because of the motivation, encouragement and inspiration given by the teachers to help the students achieve the goal. Indeed it is a Team Work.

When I ponder upon my yester years now I feel it was a bit easy for myself and Kamlesh Sir because that time our students were in touch with us. We could select the students of our choice and our House Captain helped us in this matter. We could encourage, motivate and could easily interact with them. But this year 2020-2021 things were different. Online In-House Competition. There was no restriction on the number of participation which was absent earlier. I personally appreciate the efforts taken by this year's House In-charge teachers - Mr. Pankaj Agarwal (Red House), Mrs. Nusrat Mansuri (Green House), Mr. Vilas Kerkar (Blue House), Mrs. Pavithra Hegde (Yellow House). Another positive aspect of this year's In-house competition was that each and every participant received an E-Certificate.

One thing I have realized friends, once you instill in the students the desire to win, then there is no looking back. To put in words - It is easy to win but difficult to keep on winning.

I take this opportunity to congratulate this year's Yellow House In-charge teacher Mrs. Pavithra Hegde and the Yellow House students - Heartiest Congratulations for the accomplishment of three successes or wins. You all have made "My Dream turn into Reality". As in words of our great former President Late. A.P.J. Abdul Kalam also known as the "Missile Man" - "Dream is not what you see in sleep. Dream is the thing which doesn't let you sleep" So my dear students Excellent Performance exhibited by each and every participant of the Yellow House for the consecutive three years. Well Done! Keep it up! God Bless You!

Last but not the least I thank our Principal Dr. Nisha Madam, Supervisor Rakesh Sir, and all my colleagues for being a great support.

Thank You.

Yellow House In-charge Teacher (2018-2019)

Unchain Myself

I wanted to be successful in life and follow my dreams,
But it was equally important for me to have a vision,
Vision to foresee, vision to predict, vision to forecast my intuition,
I remained focused and decided to believe in the truth of my decision.

Then climbed the mountain hard work with commitment and dedication,
On the way, I kept learning from my failures,
Then I found the essence of goodness in me and secured Success,
Kindness, generosity, warm-heartedness were the source, let me proudly confess.

Sometimes life takes me off track, but I don't want to be a lost soul,
I want to do something worthwhile, to attain that impossible goal.

The essence of my life is abstract though people, feel I have those qualities intact,
The best version of myself is still within, which till now I'm not able to extract.

When our life connects with our aura, It creates an unexplainable spirit,
Putting our heart and soul, Do all the wonders as we finally get it.

I try to inspire and educate myself, By spreading the goodness in this world,
Letting my story of my goals, My vision, my mission be unfurled.
